The episode includes the spring episode and the autumn episode too.

Therapeutic episode day and the autumn episode day are both known as "episode days".

Starting from tomorrow, seasonal news reporting will be held during episode days.

There's also the autumnal episode day on November 14th for those readers for whom who have upcoming holidays.

Holiday morning news will be aired around the department's schedule.

The theme for the autumnal episode day is "Autumnal Episode Day" during the episode day.

Good morning episode

Good morning

Today is Friday September 19th. We'll start today's morning news by greeting by the transparent studio, broadcasting center.

Good morning  
The morning weather has become chilly today.

For the 2 days before and after these days will be a total of 7 days and they're all called episode days.

Good morning
